RE: Likely Foul Play in Docket No. 22A766, later changed to 23-339  
J.M.F v. New Jersey Department of the Treasure, Div. of Pensions

Dear Justice Alito,

I am mailing this letter to your attention because you are the justice in charge of New Jersey. Kindly share it with the rest of the justices in the manner most convenient to you (please, note that I am posting it on my website: [www.tyrannyinnewjersey.com](http://www.tyrannyinnewjersey.com))

I am referring to this letter as an “open letter” in the hope that it will serve as a deterrent in case a member of this court’s staff tries to keep it from you, as I suspect may have happened with my Petition for a Writ of Certiorari.

I do intend to send it to several media outlets, even though I realize it is very unlikely that they will publish it. That is the experience I had in the past when I tried to get the main NJ media outlets to investigate and expose my case.

Thank you in advance for your efforts to defend the Constitution and the rule of law in New Jersey and the nation.

Very respectfully,

Julia Maria Fernandez
